Who We Are.

The McKinney Citizen Police Academy Alumni Association (MCPAAA) is a committed group of volunteers who have all attended the Citizen Police Academy to learn more in depth about the McKinney Police Department and those who serve. The Alumni mission is to support the members of the department through fund raising, events and recognition of the department's members. Their goals are to be a conduit to the community by raising awareness of the inner workings of the department. In addition, they strive to supply the department with special equipment, events of recognition for their service, and to give the officers and civilians of the department a consistent reminder of how much they are appreciated by our community. MCPAAA is a 501(c)(3) non-profit organization.

It's time to show support for those who protect us.
